GENERAL

We are a privately owned club, run by volunteer members. The best days for barefoot bowls are Fri afternoons as club is open from 3.30 pm, Wednesday afternoons and any time on Sundays. Club bowls days are Tuesday, Thursday and Saturday afternoons and the first and third Wednesday mornings of the month. Events from 5.00pm on Tue and 4.00pm on Thursdays and Saturdays in summer are possible with prior agreement. (Note: We do not have lights over either green for bowls after dark)

THINGS YOU NEED TO KNOW AND PROVIDE BEFORE EVENT

- Hirer name and contact details with event date and start and finish times.
- Number of attendees (including children – for general parties, children are not a problem. For barefoot bowls, children under 12 are NOT allowed on greens without specific agreement by the club)
- If playing, how many players (Male and Female) for barefoot bowls. [Link to beginner's instructional video](#)
- Our greens are our most important asset (for competitions and attracting players) and easily damaged, so the following rules / protocols apply:
 - Only bare feet or socks are allowed on the green.
 - No food or drinks on the green. To be consumed on the grassed area or seating near the greens.
 - Behaviour on the green (no driving, no dropping bowls, no running, no sitting on the bank edge of the green with feet in ditches or on the playing surface edge)
- Finish time – 10.00pm at the latest. As we are in a residential area be mindful of our neighbours with respect to music and general noise, including as you leave
- Hirers to set up the club's trestle tables and folding chairs and pack away in the same place afterwards
- Hirers are responsible for clean-up / rubbish disposal (GBC bins or hirer to arrange removal of excess)
- As we are a licenced premise no drinks may be brought into the club. Generally, guests may bring their own food because we do not cater (There are local caterers and food suppliers)
- We do not take bookings for birthdays from 18th s to 21sts
